

Learning during COVID-19 LOCKED DOWN

Even during LockdownLearning Never Stops in Digital World.

During the shutdown period – Lock down time – Where colleges / Universities are closed down due to COVID 19. We at VSB have taken a commitment to help any school / College / University Faculty members to empower their teaching and learning methods by having Remote learning using ICT Tools.

I am happy to offer online training programmes on various tools given below.

I am happy to send you free and open source ICT Tools – Simulation and virtual labs etc. Please type your email below and we would be happy to serve you.

Stay Home, Stay Safe..

Prof. Samuel Johnson.K
